Hi Cheryl,

I'm assuming that Region 5's Drinking Water Office is keeping you all in the loop, but I just wanted to double check.

Hi Tom,

Based on my conversation with Heather Shoven earlier today, I understand the October 2014 SDWA Section 1431 related petition sent to the Administrator and Regional Administrator has been controlled to Region 5's Drinking Water Office to respond. I also understand the Region's already sent a short acknowledgement of receipt letter to the petitioning NGOs and you're briefing your Regional Administrator on November 5.

My management, who I've copied here, asks the Region to please keep OECA's Water Enforcement Division in the loop as the Region considers next steps and substantive responses. A reason OECA's interested is because this petition relates to concentrated animal feeding operations, which are a National Enforcement Initiative. Also, when you have a moment can you please email us a copy of the acknowledgment letter you recently sent the petitioners?

Thanks,
Carol
